The Fauquier Sports Foundation (FSF) is beginning its annual fundraising campaign. Please take a few minutes to review the FSF charter and consider the various opportunities in which you can support our organizations athletic and personal development of Fauquier County's youth.

The Fauquier Sports Foundation is a federally recognized non-profit organization that principally promotes and supports amateur wrestling in Fauquier County.

We are the sponsoring body for multiple wrestling teams with athletes ranging in age from 5 to 18 years old. Our teams include the Patriots, which competes as part of the Northern Virginia Wrestling Federation, the Warhawks, which competes as part of the Capital Area Wrestling League and the Fauquier High School Falcons, which competes in the Virginia High School League. The Patriot and Warhawk teams are feeder programs for all three Fauquier County High Schools. Interest in youth wrestling in Fauquier County continues to grow and the Fauquier Sports Foundation wants to continue fostering the development of that interest. To do this, we are working on the founding and support of two new teams. The Birds Of Prey Wrestling Club will be available to all Fauquier County youth in grades 8 through 12 and will provide structured off-season wrestling opportunities in the areas of skills development and competition. The FSF will also be starting a new county wide Middle School wrestling team providing in-season wrestling opportunity for Fauquier youth new to the sport.

The FSF provides a wide range of financial and manpower based support including the purchasing of equipment and supplies for the youth teams, hosting an in-county summer camp, supplementing the cost of camps and clinics for underprivileged youth, supplementing travel costs and providing scholarships to two county athletes, one male and one female, who wish to continue their athletic career in college.

Your contribution is vital and necessary to continue supporting these valuable FSF efforts. Please review the sponsorship levels and donor information located on the accompanying page and help the Fauquier Sports Foundation continue facilitating the growth of wrestling in Fauquier County as well as contributing to our young student-athletes' personal and sport specific growth.

If you would like to find out more information about who we are and what we do, please visit our website at www.fauquierwrestling.org.

Thank you in advance and we look forward to another successful year improving the lives of our county youth.

Fauquier Sports Foundation, Inc. was organized and operates exclusively to foster and conduct national or international amateur sports competition and to develop amateur athletes for that competition.
